Sculptural loudspeakers & reference subwoofers

Handbuilt in Staffordshire, England

THE COLLECTION · 2026

THE RANGE AT A GLANCE

# Three speakers, one system.

A deliberately small range, designed to stand alone or work together — a full-range flagship, a statement bass tower, and a reference subwoofer to sit beneath either.

## COMMISSIONING

# How a pair comes to be.

**01**

### **Enquire**

Tell us your room, how you listen, and the finish you have in mind. We tell you honestly which model fits — if any.

**02**

### **Specify**

We agree the model, the finish and any bespoke details, and confirm where you sit in the build queue.

**03**

### **Build**

Your cabinets are cut, assembled, hand-lacquered and measured — every step logged in your build diary.

**04**

### **Deliver**

Delivered and positioned by arrangement, serial-numbered, with its measurement card and the diary of its making.
